

Dear HBCD-researcher!

Health Behaviours & Chronic diseases (HBCD) is one of the themes of Amsterdam Public Health, the alliance research institute (<http://www.amsterdamresearch.org/web/public-health/home.htm>) in which researchers from AMC, VUMC, VU en UvA participate working on Public Health related issues.

We would like to invite you to meet your old and new HBCD colleagues on the 29th of September! We will discuss the focus of HBCD, existing and future initiatives, your contributions and of course how we can benefit from each other's expertise, network and research infrastructure.

Date: 29th of September

Time: 9-12 o' clock

Location: to be determined, in Amsterdam

We invite you to indicate your presence by a sending an email (to e.vos2@vumc.nl) with the following information as soon as possible, but not later than 1st of September:

Name:

Organization/Department:

Email address:

If the location allows, we may offer breakfast. Would you be able and willing to start the meeting with a short breakfast at 8 o'clock? Yes/No

If you do not intend to attend the meeting, please let us know why. This information is useful for the organization of future meetings.

Best wishes,

Mai Chin A Paw and Karien Stronks
